

Michael,

Pennants arrived this morning.....wow!

Can I just say that you are more than welcome to use Knebworth Youth F.C. as a testimonial customer in the future as I'm absolutely thrilled with the product and service provided by Sporting Pennants Limited.

We have football teams that tour every season, and we have used various other suppliers in the past but have never been blown away by the finished article. Not only were Sporting Pennants a joy to deal with at conceptual stage when we spoke about our design requirements, with a very fast response and an unbelievable price, but the quality of the product that you have supplied is outstanding including the professional finish in the plastic packaging that keeps the individual pennants protected until use.

I will have no hesitation in both recommending and using Sporting Pennants in the future as we could not have been more impressed with the sales to delivery process.

Thank you!!

Kind regards

Steve Cook

Knebworth Youth F.C
